

LIDO • FLEX™

TARGETING YOUR RELIEF

4% LIDOCAINE
PAIN RELIEVING PATCH

A NEW ADJUNCT TO YOUR PAIN PROTOCOL THAT KEEPS YOUR ATHLETES IN THE GAME

- Highest concentration of lidocaine available today without a prescription
- Targeted, consistent, and area-specific relief for your patient
- OTC, anesthetic, nerve block that breaks the pain spasm cycle
- Non-habit forming, non-systemic pain relief without opioids
- Welcome alternative to traditional therapies including TENS and iontophoresis
- Low profile design can be worn under braces or athletic attire and during sports related activities
- A continuum of care, take-home pain product for the patient
