

Richmar (“Company”) warrants that the Richmar Laser and Light Kit (“Product”) is free of defects in material and workmanship. This warranty shall remain in effect for one (1) year on the accessories (Laser and SLD) from the date of original consumer purchase of this Product. It is extended to any owner of the Product during the warranty period. Extended warranties may be available. If this Product fails to function during the warranty period because of a defect in material or workmanship, the Company at its discretion will repair or replace this Product without charge. The Company or dealer will ship the Product to the customer as quickly as possible.

All repairs must be performed by Richmar or an authorized service center. Any modifications or repairs performed by unauthorized centers or groups will void this warranty. This Warranty Does Not Cover:

1. Replacement parts or labor furnished by anyone other than the Company, the dealer or an authorized Company service agent.
2. Defects or damage caused by labor furnished by someone other than Company, the dealer or an authorized Company service agent.
3. Any malfunction or failure in the Product while it is in the possession of the owner during the warranty period if the malfunction or failure is not caused by defect in material or workmanship, or if the malfunction or failure is caused by unreasonable use, including the failure to provide reasonable and necessary maintenance.
