

LIDO • FLEX™

TARGETING YOUR RELIEF

4% LIDOCAINE
PAIN RELIEVING PATCH

**THE NEWEST ADDITION TO YOUR
PAIN TREATMENT PROTOCOL**

&

**THE NEWEST FORM OF REVENUE
GENERATION FOR YOUR PRACTICE**

- Highest concentration of lidocaine available today without a prescription
- Pain patch technology that provides targeted, consistent, area-specific relief for your patient
- Sold only through Healthcare Professionals like you
- Attractive ROI as an annuity-based product
- Consumable, take-home product for the patients to continue their pain relief regimen
- Does not contain opioids; it is non-habit forming and non-systemic
- Topical analgesic/anesthetic as opposed to a counter-irritant
