

LIDO • FLEX™

TARGETING YOUR RELIEF

4% LIDOCAINE
PAIN RELIEVING PATCH

THE NEWEST ADDITION TO YOUR PAIN TREATMENT PROTOCOL WITH INNOVATIVE PAIN PATCH TECHNOLOGY

- Targeted, consistent, and localized relief for your patient
- An OTC anesthetic nerve block which breaks the pain spasm cycle
- The highest concentration of lidocaine available today without a prescription
- Non-habit forming, non-systemic pain relief without opioids
- A welcome alternative to traditional therapies including TENS and iontophoresis
- Available in a variety of extremity-specific sizes
- A continuum of care, take-home pain product for the patient
- Available only through Healthcare Professionals like you
